NOVEMBER SERVICE NEWSLETTER

November 22nd 2020

Introduction

Happy November! In this newsletter, I will provide up-to-date information about upcoming service projects that are open to any Circle K member in the New Jersey District. Although this service year has been a challenge, it is important to keep our commitment to volunteer alive! As the weather gets colder I know it can be more difficult to find service projects, but there are plently of fun virtual service projects! Many individuals need our help and support during this pandemic, so it is important to keep doing service! The Service Committee is dedicated to hosting new and exciting service projects both virtually and in-person to give back to the community. If you have any ideas for service projects please contact Governor Kyle Lank at kylelank.cki@gmail.com or District Editor/ Service Chair Melissa Nash at melissanash.cki@gmail.com. Now let's get to the service!

CLUB SERVICE OPPORTUNITY

2020-2021

JAG PROGRAM

The Jobs for America's Graduates program is looking for clubs in the New Jersey District that are interested in virtual mentoring for students at a high school in Carteret, NJ. We are searching for one more club that would be willing to meet with high school students on a weekly or bi-weekly basis.

This project would entail helping these students build skills in career planning, interviewing, coaching, leadership, and public speaking and other areas. You will also be discussing college life with students and talking about topics such as majors, academic life, and inclusion on college campuses. Please note that this project must occur reguarly and all of the participants involved should be the same Circle K members every week.

If your club is interested in this opportunity, please email Kyle Lank at kylelank.cki@gmail.com or Melissa Nash at melissanash.cki@gmail.com for more information.
