

DISTRICT NEWSLETTER

ISSUE 01
APRIL 2024

WELCOME TO THE DISTRICT NEWSLETTER

- A district mailing will be used when there is not a Circkling edition to relay events, announcements, opportunities, and more!
- This is a very important read, and will be sent out by other district executive board members.

MISSION OF CIRCLE K INTL.

Developing college and university students into a global network of responsible citizens and leaders with a lifelong commitment to service.

GOVERNOR'S GREETINGS

Hello New Jersey Circle K!

Hi everyone! My name is Sanya Majmudar and I am the NJ CKI District Governor for this service year! It was great meeting some of you at COTC. I am a junior majoring in Biomedical Engineering at NJIT. I am super excited to be leading you all and putting together this newsletter!!

This newsletter will go over important dates, information, and contacts of the new board! Please feel free to reach out to me for any concerns or questions.

Important Dates

- Kiwanis Family Picnic
– TBD
- INSIGHT – November
1st – 3rd, 2024
- District Convention –
February 28th – March
2nd, 2025

Yours in Service,

Sanya Majmudar
District Governor

Governor's Project INTERNATIONAL SERVICE PARTNERS

Active Minds

Active Minds is an amazing organization to work with, and not only does International have a strong relationship with the group, but so does our own New Jersey District of Circle K. Previously, in support of this organization's mission of mental health, New Jersey District put together and shipped out Mental Health Care Packages for College students throughout the District, to support them as they pursue their higher education goals. Each year, Active Minds reaches millions of young adults, both in High Schools and Colleges, as well as hosts thousands of events in support of their campaign to change the conversation about mental health, and we are grateful to be able to partner with them in making a difference for all those in our community who benefit from their work.

UNICEF

UNICEF is one of the largest organizations dedicated to combating any and all challenges afflicting children around the world. Previously, Circle K International has partnered with them in their highly successful WASH campaign to bring clean water to children wherever it is needed most. The New Jersey District of Circle K has been distinguished also for their commitment and success in raising funds to support the WASH campaign, and now we are excited to support them in their next big endeavor, Brick x Brick! Brick x Brick is dedicated to help raise funds to build sustainably crafted schools in Côte d'Ivoire, and to support local communities at every step of the process, from recycling refuse to craft the bricks, to employing locals in the factories and construction of the schoolhouses, to employing teachers from the community to teach within them. It is truly incredible how much thought and care has been put into the project, and we are all so excited to put our talents towards supporting this new mission!

Global Brigades

Global Brigades is an organization that aims to help provide health services to those who are in need, all around the world. Each year, volunteers are sent to under-served communities and send brigades, a squad of volunteers, to sites where they work 7-10 days to help meet the needs of the community they're in. Global Brigades work is so vital, and Circle K International is proud to partner with an organization that is proactively working towards providing these much needed medical services all around the world.

HOST CLUB APPLICATIONS

Each service year, the New Jersey District Board requests the help of clubs in our District to serve as host clubs for District events. If you are interested in applying, please read over the '24-'25 Host Club Application Document which details the specific responsibilities that hosting each District event entails.

You may submit all of your preferences in a typed letter that details why you would like to host your first-choice event, and then what your second choice would be.

All applications should be submitted by Wednesday, May 15th, 2024 by 11:59 PM.

Decisions will be sent on Monday, May 20th, 2024. All applicants will be notified of the final results.
